Setting VOD up to fail:

The problem with
'fixed-rule' optimisations

There are times when using the total result as a 'fixed rule' across placements works

Response rate index – by level of integration in programme

Source: Adgile VOD performance data bank, 60 brands, Jan 22-Aug 23

But in some instances, the fixed rule doesn't work

Response rate index – by on-demand vs live viewing

Brand building

Sales activation

When viewed on-demand
